3. The Surplus Property Officer reserves the right to reject any and all bids and to waive technicalities.
4. "NO SALE" Procedures: The award of sale will be made to the highest responsive and responsible bidder, provided that the auction bid offered by such bidder is acceptable to the State Property Manager. When said bid is not acceptable, the Auctioneer

will attempt to reopen the bidding to obtain a higher offer. Should this offer not succeed in obtaining an acceptable bid established by either the State Property Manager or the state agency, the Auctioneer will announce that the State Property Manager will make the determination of the disposal of said lot.

5. AUTHORITY TO DEBAR OR SUSPEND: Your current and future participation in public auctions is subject to the laws governing debarment and suspension, Section 11-35-4220 of the South Carolina Code of Laws authorizes the Materials Management Officer to suspend and debar any person or firm from participation in the public sale of state-owned property. SC Code Ann. Regs. 19-445.2150(J). This statute also outlines the process used for debarment and the reasons for which someone may be debarred. 7. Payment must be received immediately after the close of the sale in the amount of one hundred percent (100%) of the total bid, otherwise the successful bidder(s) loses his right to award and will be subject to debarment or suspension as outlined in #5. The successful bidder(s) or his accredited agent will be responsible for the removal of the property at his expense within two (2) days of the sale date; otherwise, there will be a \$10.00 per day charge beginning on the 3rd day up to 30 days. After 30 days the title to the property reverts to the State of South Carolina with no refund, and successful bidder(s) will be subject to debarment or suspension as outlined in #5. **NO PROPERTY CAN BE REMOVED UNTIL THE AUCTION IS OVER.**
11. The State's responsibility for the property offered by it ceases with its award to the successful bidder(s), but reasonable precaution will be taken to insure delivery of the property in practically the same condition at the time of release as at the time of examination.
