Camp Wildwood, a hands-on, outdoor environmental camp, provides student in the tenth-12th grade with "the knowledge and appreciation needed to protect and wisely use our natural resources," according to the Department of Natural Resources website.

Camp activities included instruction in fisheries, forestry, fire-arm safety, first aid, and other topics as well as classes conducted by professional resource staff members. Campers have an opportunity to participate in outdoor sports such as softball, swimming and volleyball.

General Information

- Who: All 10th through 12 grade students regardless of race, color, sex, creed or national origin.
- How Many: Approximately 100 co-ed campers
- How Much: The entire week cost only \$200.00, full and partial scholarships are available.
