

Camp Wildwood

Teacher Referral Form

Camp Wildwood is a place where young men and women are introduced to the beauty and wonder of the natural world. It is a place where young people become aware of the relationship between man and his environment and the interdependence of all living things. It is a place to discover that we are part of nature and everything we do in some way affects the natural balance. At Camp Wildwood the student will acquire the knowledge and appreciation for the protection and wise use of our natural resources.

Camp Wildwood is a place for learning self-reliance, self-discipline and independence. It is a place to build self-confidence in relationships with adults and peers, also a place to learn how to cooperate in a group.

In considering your student's application, we could like to have your recommendations as to their interests in the natural sciences and the out-of-doors, as well as academic ability.

Please use the following space (back if needed) for your recommendation. Upon completion, either mail the form to us (address below) or return it to the student for them to return with their application.
