

**Accept the Natural Challenge**

# **SC ENVIROTHON COACHES TRAINING**

**Saturday, February 1, 2020**

Envirothon is a hands-on outdoor competition geared towards teaching high school students about the environment and natural resources. Teams of students are tested on their knowledge of aquatics, forestry, soils, wildlife, a current environmental issue and an oral presentation. The 2020 current issue is *Water Resource Management: Local Control and Local Solutions*. The purpose of this competition is to encourage the leaders of tomorrow to learn all sides of environmental topics so they can make informed decisions.

If you are a teacher, troop or environmental club leader with students that are interested in participating, you are invited to a **FREE** training on Saturday, February 1, 2020. This training will prepare coaches by explaining how to build a team, showing what to expect the day of competition, and sharing some of the competition exam materials. *Coaches are not obligated to bring a team if attending this training!*

**To attend, submit this form no later than Monday, January 20, 2020 to  
Deanne Myrick, SCDNR via email: [myrickd@dnr.sc.gov](mailto:myrickd@dnr.sc.gov) or  
mail: PO Box 167, Room 256, Columbia SC, 29202**

Coach's Name:
