

DNR

Tournament Catch Form
South Carolina Department of Natural Resources
Marine Resources Division
Recreational Fishing Tournament

***** Return to the SCDNR Fisheries Statistics Office within 30 days of the tournaments completion *****

The purpose of this information request is to document fishery products obtained through recreational fishing tournaments. Tournament data is critical for managing South Carolina's marine resources.

The *Tournament Catch Form* will provide the SCDNR with the following information:

- 1) Tournament dates, weigh-in location and number of participants.
- 2) All species of fish landed & retained by tournament participants.
- 3) Total number and pounds of each species landed.

Send completed forms to:

SCDNR
Marine Resources Division
Fisheries Statistics Section
P.O. Box 12559
Charleston, SC 29422-2559
