

The Future Of Our Drinking Water

**Palmetto Electric, Highway 278, Bluffton
Wednesday • February 13, 2008 • 6:00-9:00 p.m.**

PALMETTO BLUFF

As South Carolina continues to experience drought conditions, unprecedented growth in Beaufort and Jasper Counties shows no signs of slowing. Georgia and South Carolina maintain talks about sharing the Savannah River, which serves as Beaufort and Jasper Counties' primary water source. This forum will discuss the sources of our drinking water and their uses; other water supplies available and the challenges associated with those supplies; and what we can do to conserve our resources.
