

The Palmetto Sportsmen's Classic, South Carolina's premier hunting, fishing and conservation show, will celebrate its 27th anniversary March 25-27, 2011. We are currently looking for Sponsors and Natural Resource Partners who want to help us continue to bring exhibits, attractions, entertainment and conservation education to thousands of participants across the Southeast. Proceeds from the Classic are used to fund natural resources conservation projects in South Carolina. The 2010 Classic entertains more than 35,000 attendees over three days.

Become a Palmetto Sportsmen's Classic Natural Resources Partner Today!
