5. Tournament officials to direct backing and maintain double file. Boats pull up from 5 and send to parking space top tie down.
6. As soon as these are cleared, they will check out with a DNR truck by the park's entrance and return their boat id card at this point and inform DNR staff of intentions to attend weigh in, if your anglers have fish and time of departure. Boats travel to the Fairgrounds and enter at Gate 11 only.

**\*\*Boats will need to double file to ramp to load boats. Boats will only be able to go right when leaving ramp. Trailers may only be retrieved if your boat is at the landing, ready to load. Please do not block the flow of traffic to load boats if your boat is not at the courtesy dock or ramp ready to load.**
