

# SC Envirothon Sponsor Information

*Accept the natural challenge!*

SC Envirothon is a hands-on, environmental competition coordinated by the South Carolina Department of Natural Resources with various partners. Our goal is to advance environmental awareness through an engaging outdoor educational experience for high school students, to assess their knowledge of natural resource management issues, and to promote a life-long commitment to environmental stewardship. This program is made possible only by the generous contributions of time and money from businesses, individuals, agencies and groups.

Please consider supporting this worthy cause! Sponsor contribution levels and benefits below.

| 2020 Contribution Levels  | 2020 Partnership Benefits  |
