SC PROJECT WILD WORKSHOP

June 5, 2026 | 9:30 AM – 3:00 PM

Kalmia Gardens

1624 W Carolina Ave, Hartsville, SC 29550

Project WILD's mission is to provide wildlife-based conservation and environmental education that fosters responsible actions toward wildlife and related natural resources. All curriculum materials are backed by sound educational practices and theory, and represent the work of many professionals within the fields of education and natural resource management from across the country.

Participants will be trained in and receive the Aquatic WILD: K-12 Activity Guide. During this professional development workshop, educators will participate in several hands-on activities from the guide, learn about the Project WILD program, and get access to local and online resources.

Participants will need to pack a bagged lunch.

Please complete registration form **HERE**.

Deadline to register is **May 27, 2026**.
