Tag Color:

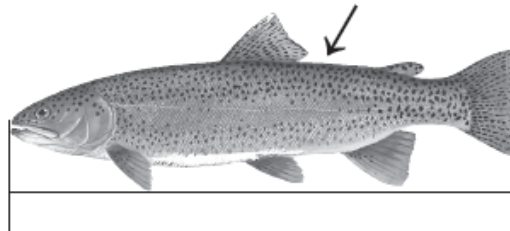

Species: Rainbow Brown Unknown Length(in/mm):

Was the trout able to be measured or was the length estimated? Measured Estimated

Was the fish kept, released, or released with tag removed? Kept Released with tag Released with tag removed

MEASURING YOUR TROUT

Measure the trout from the tip of the snout with mouth closed to tip of tail. Tail should be pinched. The tag position is indicated by the arrow;

When removing the tag, it is important to clip the tag rather than rip it off.
All valid tags will be entered for a chance to win a lifetime freshwater fishing license.
